1 Sectiony section

2 Uh so the font family was switched.

This is a text in the sectiony section of the titley titled document.

3 The yo...section

yo...yo...yo...These are a bunch of "yo...", yo. Why couldn't I come up with a better example. What am I doing yo...

4 Let's see how arguments work

This command will, why? only make the first argument within the curly **braces bold**, as specified by [1]. The first argument happens to be the entirety of the brackets' content.
